St John the Baptist School
Image Consent

During your child's time at St John the Baptist RC Primary School, we may wish to take photographs of activities that involve your child to celebrate their successes and record their achievements.

These photographs will be used for internal school displays, promotional material, the School's website, the School's Twitter account, the School calendar and in local and national newspapers.

Photography or filming only takes place with the permission of the Headteacher and under appropriate supervision. When filming or photography is carried out by the media, children will only be named if there is a particular reason to do so (e.g. they have won a prize), and home addresses will never be given out. Images that might cause embarrassment or distress will not be used, nor will images be associated with material on issues that are sensitive.

To ensure we comply with data protection laws, we need you to consent to us taking these photographs.

Your consent remains valid for the period of time that your child attends the school and for 12 months after your child leaves the School.

You may withdraw your consent at any time. If you decide to withdraw your consent, please contact the school office so that we can update our records accordingly.
