YOUTH SPORT TRUST

Burnley SSP Service 2024-2025

Detailed below is the core offer BSSP will deliver to partner schools for academic year 2024-2025. The services will continue to provide schools with the foundations to satisfy requirements of the PE and sports premium funding based on the national key spending requirements

KPI: Increased participation in competitive sport and transition into community sport		
Service	**Description**	**Outcomes**
High quality Competition and Festival Programme: • Sporting Events designed around the motivations and competencies of young people. • Learn & Develop, Play, Move and challenge events targeting specific children. • Competitive pathway events targeting high performer.	Provide a broad and varied annual calendar of opportunities for inter-school sports activities. *NB: Some of these events are delivered through the National School Games programme, those delivered above and beyond that of the minimum KPI delivery for the SG funding and any associated charges for facilities/capacity relating to the SG events are covered in this SLA. For more information/breakdown please ask your SGO.*	To give opportunities to all young people to represent their school and compete To develop perseverance and resilience To help pupils deal with adversity and success To raise a young person's aspirations To promote talent, transfer and development across a variety of sports To support a young person's transition into community sport To promote enjoyment in physical activity To improve the physical and social skills of young people
KPI: Increased confidence, knowledge and skills of all staff in teaching PE and sport		
Service	**Description**	**Outcomes**
• PE Specialist supports (SSCo) to Provide teaching and learning support to primary school teachers/staff	Your school will have access to a specialist PE teacher (SSCo) to support the professional development of staff through; Team Teaching, mentoring new staff, delivery of PE insets to whole school, support with curriculum/lesson planning, support baseline assessments, provide equipment and resources and undertake lesson observations.	To improve the quality of PE lessons To improve confidence and competency of class teachers To support schools to ensure PE provision is sustainable To improve standards of teaching and learning

• Continuous professional Development Learning Courses	*Please note this list is not exhaustive; SSCo's will also support schools to access high school sports facilities where appropriate and possible, deliver cluster competitions and support the delivery of events and competition.* Working closely with Lancashire County Council, YST and National Governing Bodies (NGB'S), BSSP will provide curriculum development and professional learning opportunities through locally held courses and CPD sessions. The CPD programme for 2024-25 will be developed over summer term and will be communicated to schools before the end of the current academic year.	To Improve standards of attainment through HQ delivery To improve subject/teacher knowledge
KPI: Local and National Collaboration and Support		
Service	**Description**	**Outcomes**
• PE Lead Support • Head Teacher Updates	Termly PE subject leader conferences/workshops – providing training development, sharing practice and networking opportunities. Termly PE subject one to one meetings with a focus on: ○ PE Premium Planning/PE Curriculum Planning/Identifying CPD needs (Autumn) ○ Catch up and check in session (Spring) ○ School Games Mark and Final PE Premium Reporting (Summer) Annual Head Teacher Conference (planned for Summer term 2025) and regular updates.	To provide opportunities to share best practice across the town and create a sustainable network To update PE leads on national initiatives and developments To create a sustainable network of highly trained PE specialists
KPI: The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles		

Description	Service	Outcomes
• Leadership Training and Active Zones	Provide School Sport Crew and Play leaders training to pupils through delivery of interactive and practical sessions (1 member of staff to 15 children). Delivery to include welfare staff training. Support PE leads with designing active play/lunchtime sessions.	To improve the confidence, communication and personal skills of young people To provide increased opportunities for young people to practice movement skills through active play To help support playtime management and improve behaviour
• Change for Life/Physical Activity/Health and Wellbeing	Train school staff, provide inset, school visits to support schools to develop a Whole School Approach to Physical Activity – using the Creating Active Schools Framework. Provide access to new C4L resources. Provide Wellbeing Buddy Training where required. Deliver 3 x Active 60 festivals targeting least active/dis-engaged children.	To support schools to provide all young people with 30 minutes of moderate to physical activity To promote enjoyment in physical activity To improve young person's knowledge on how to keep healthy
• Healthy Heads Character Development Programme	Provide 5-character development sessions with the Healthy Heads Education team. Schools can select which year group **or** contribute 50% funding towards a Health and Wellbeing Day.	To support schools to develop a physical activity policy To support schools to develop a positive physical activity culture
• Access to the Together an Active Future Ready Set Move Programme	All schools across the East Lancashire footprint are able to access the Ready Set Move – Creating Active Schools programme. This is currently fully funded and challenges schools to think differently about how they approach and deliver physical activity. Schools are able to access a professional leadership development opportunity through the middle leaders programme or are able to access the supported programme. Please click here for more information: Active Schools - TaAF - Together an Active Future	
KPI: The profile of PE and Sport being raised across the schools
