Burnley 'On Film'

Saturday 6th July 2024

2pm

Burnley Library

'Burnley On Film' will bring back memories of what the town was like years ago. The talk by Mike Smith of Burnley Film Makers features Burnley from the 1940s to the 1980s through films shot by amateur film makers from World War Two through to the 1950s and Sixties up to the 1980s.

The talk is two hours with breaks for questions and for sharing personal reminiscences of what Burnley was like in the 'old days' as the films and talk progresses.

Since January 2024, volunteers have been digitising the historic photographs stored at the library so that people can enjoy them at exhibitions and online.
