Headteacher's Note

Weekly Newsletter
Friday 30th June 2023

Dear Parents/Carers,

Holy Communion

Congratulations to the children who had their Holy Communion on Sunday. It was lovely that so many of you came back to school afterwards to continue with the celebrations. Also a huge thank you to Mrs Schofield for all your hard work and to Fr Allan for a lovely service.

Moving Up Morning

On Wednesday, our children got to spend time in their new classes with their new teacher to help with the transition for September. We also welcomed our new Reception class in to school so they could meet one another and get used to the classroom environment. We are really looking forward to welcoming them in September. Our year 6's also had a great time earlier this week visiting their new High Schools for their transition day.

Lancashire Adult Learning is partnering with Burnley East and West Primary Care Networks to run an exciting free health and wellbeing event!

BLACKPOOL ZOO TRIP

Year 1 had a brilliant time on Tuesday at Blackpool Zoo for their end of year trip. They enjoyed seeing all the animals and had a great time watching the Sea Lion Show. They even got to dig for dinosaur bones!

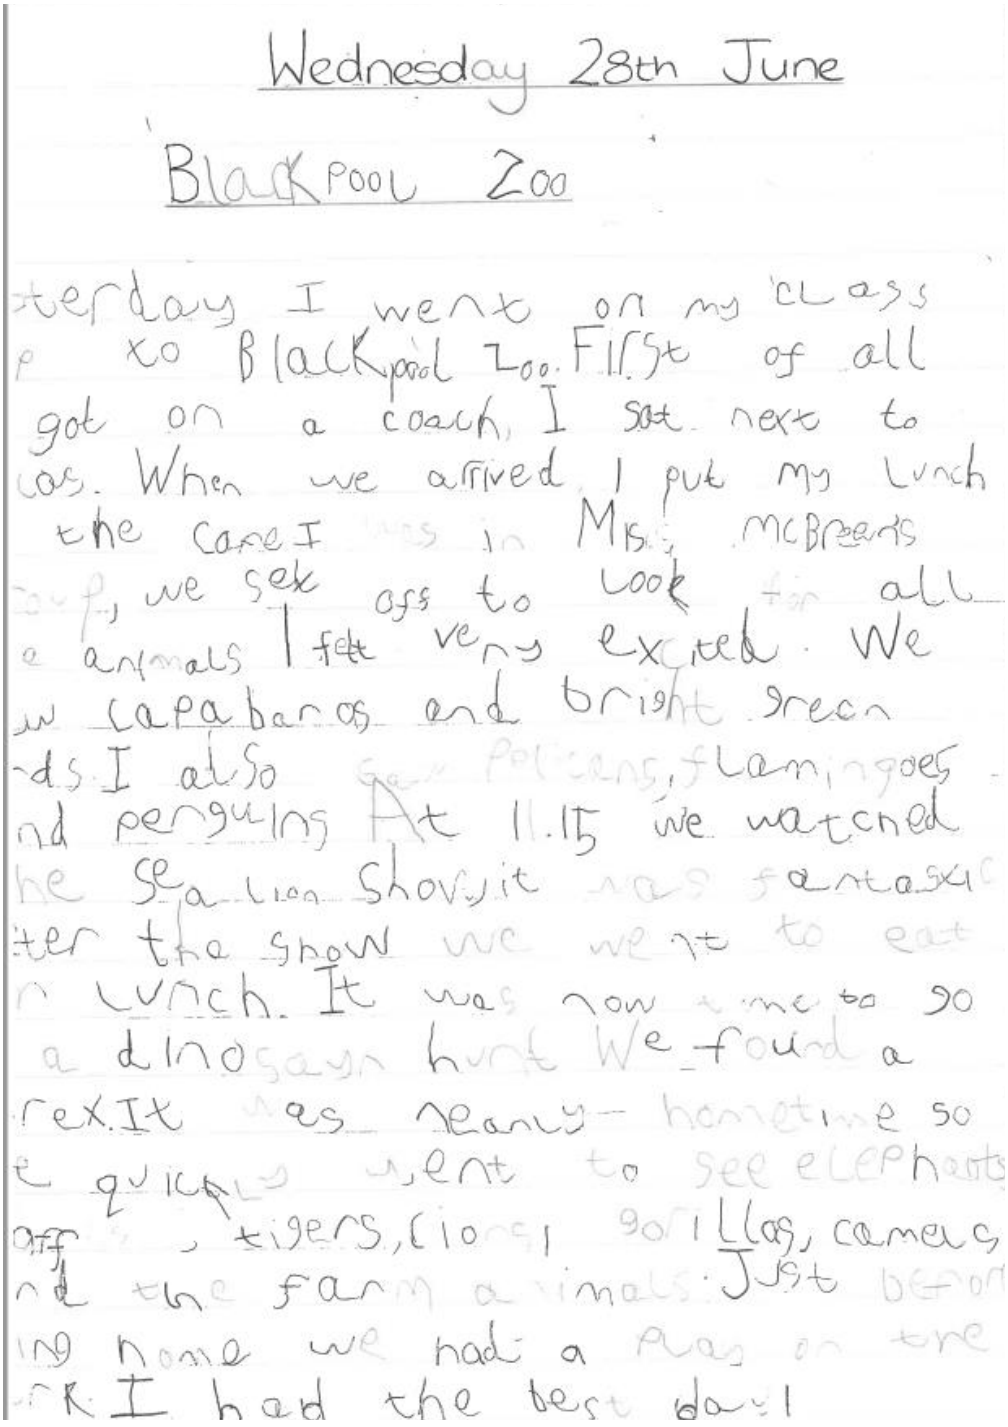

BLACKPOOL ZOO TRIP

We had also had an amazing piece of writing done by Dylan in Year 1, talking all about his day at the Zoo. Well done Dylan.

Wednesday 28th June

Blackpool Zoo

terday I went on my class
to Blackpool Zoo. First of all
got on a coach, I sat next to
as. When we arrived I put my lunch
the cage I was in Mrs. McBreads
up, we set off to look for all
e animals I felt very excited. We
w capabaras and bright green
ds. I also saw Pelicans, flamingoes
nd penguins At 11.15 we watched
he sea lion show it was fantastic
ter the show we went to eat
r lunch. It was now time to go
a dinosaur hunt We found a
rex. It was nearly - hometime so
e quickly went to see elephants
off , tigers, lions, gorillas, camels
nd the farm animals. Just before
ng home we had a play on the
RK I had the best day!

Eco Warriors

This year, our wonderful School Councillors have taken on an extra role. They have become our Eco Warriors and enjoy activities which help our school: save energy and water; recycle; and look after plants and wildlife in our school grounds. They have worked throughout the year on these tasks, striving to achieve the Eco Schools 'Green Flag Award'. The whole school helps to support them with activities such as: sustainability lessons provided by the teachers; health events promoted by the PE department; and looking after plants and creatures in our school grounds promoted by the Gardening Club. We are very proud that the Eco Warriors give up their time and energy to promote sustainability in school and we thank them for their commitment to this task.

Eco Code

During our School Council meetings, the Eco Warriors thought hard about an Eco Code for St John's. We wrote out all our ideas on large sheets of paper. Then we gathered them together with key words and symbols. We used the idea of an Acrostic Poem to present this work. We are very proud of the result and presented this code to the whole school assembly.

On Thursday 20th July, we will be having a special lunchtime menu to say goodbye to our year 6's. This menu is available for everyone and will need to be booked on Parent Pay in advance.

Thank you.

GARDENING CLUB

The Flower Pot Gang were delighted that the peas that they have been growing were put on the salad bar, during dinnertime, last week.

They went down a storm with the children. Alex from year 6 said "they are better than Tesco's!"

The gardening club were extremely proud of themselves, as all their hard work and effort in growing produce, is being enjoyed by both pupils and staff alike.
