Science and Maths Quiz at St Augustine's

A huge congratulations to our Year 6 quiz team. They competed in the annual St Augustine's Maths and Science last night. It was a very close competition and even though we didn't win the children did a fantastic job and had a great time.

A big thank you!

Thank you so much to Spring Wood Nurseries and Garden Centre in Burnley who very kindly donated loads of plants and packets of seeds for our gardening club to use.

We waved goodbye to our year 6's today as they set off for their residential trip to Borwick. We hope they all have a fantastic time and make lots of wonderful memories.

Mission Possible 4

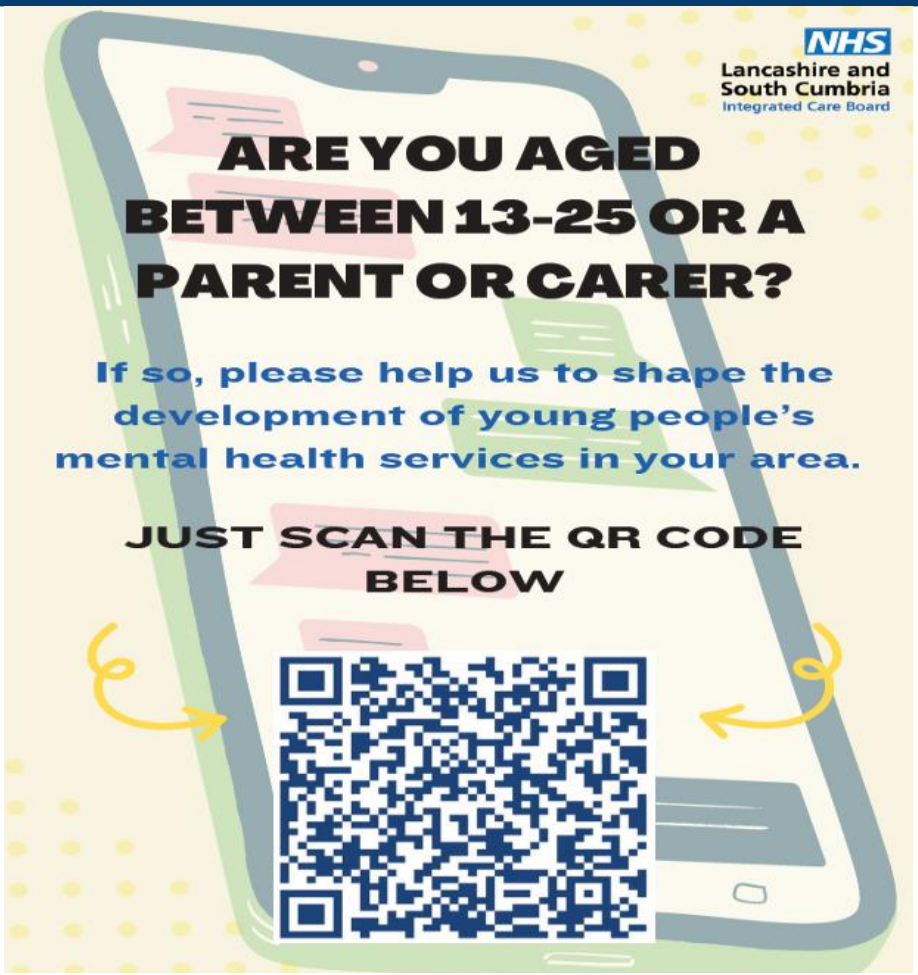

Mrs McKeating has arrived safely back from Kenya and had a truly wonderful time! There are lots of videos and pictures posted on the charities social media site, Facebook.

The team worked with three schools in total, We attended a celebration day in Makuyu where Salesian groups from across Kenya gathered and worked with 80 children from the children's home in Makuyu.

There was lots of popping candy shared with the children and lots of new experiences provided.

The girls in the children's home received lots of treats including handmade teddies, the Mamas received new bras, underwear, sunglasses, hats and baby clothes. The schools received lots of new resources including the basics of new pencils and pens and face paints were utilised to the full.

The Flower Pot Gang were over the moon to receive their level 2, RHS School Gardening Award certificate. The Gardening Club also got a lovely book called 'Gardening through the Year', which will help them with their month – by – month planning and inspiration.

They have already submitted their Level 3 evidence. Fingers crossed that they are successful!
