ST JOHN THE BAPTIST RCP SCHOOL

Headteacher's Note

Weekly Newsletter
Friday 20th July 2022

Dear Parents/Carers,

On behalf of the staff I would like to pass on our thanks for all the generous gifts that the children have shared with us over the past few days. Your kindness is much appreciated.

We have finally got to the end of the year and the heat over the past two days was just an additional challenge to keep us on our toes.

I thank you for all your wonderful support over the year and wish you and your family a very happy and peaceful holiday.

We wish our year 6 cohort all the best as they leave St John's today and hope that they settle well into their High Schools in September.

Farewell

Today we say farewell to Mrs McDonald who will sadly no longer be working as a welfare assistant at lunchtime. A huge thank you for all your help looking after the children during lunch times.

Sad News

It is with great sadness that I share the news that Fr Jennings passed away. Fr Jennings is loved by many of you as previous Parish Priest of St. John's and I am sure he will have baptised and married many of our current parents. Please keep him and his family in your prayers. May he rest in peace.

We will inform you all as soon as we have more information regarding funeral arrangements.

PADIHAM LIBRARY

The Library is running our SCART Planet Savers reading scheme throughout the summer, from now until the end of September

We will be promoting reading and planet saving activities throughout the summer – so far we are having a visit from Zoolab to introduce us to minibeasts and animals, a theatre show of Old Macdonald meets the Three Pigs, a Butterflies and Bees family walk and a Workshop with the Dog's Trust to design a dog friendly invention.

We would love to see some of the Padiham St John's children in the library over the holidays, and to be helping them to keep reading and developing their literacy and creative skills.

Ways to help you keep safe when feeling unsafe when walking home

StrutSafe – StrutSafe is a registered charity founded in 2021 following the death of Sarah Everard, Volunteers are there to answer calls to people who feel unsafe while walking home. – The volunteers will stay on the phone till the person has entered the door.
Opening Hours: Fridays and Saturdays 7pm – 3am, Sundays 7pm – 1am. – Tel: 0333 335 0026 (free) - https://www.strutsafe.org/

Walk Safe – The app includes a map that shows crime figures taken from monthly reports, whether that be sexual assault, mugging, knife crime, and pickpocketing. WalkSafe allows you to avoid hotspots on your walk home, to ensure a little more peace of mind. If you come close to a location where a crime has been reported, the app will alert you, so you can avoid that area. The handy HomeSafe feature lets you set an estimated time of arrival when you set off and will send your location to an emergency contact if you don't get home in time. You can also set a reminder for emergency contacts to check in with you at a specific time. What's even better is the TapSafe feature, which allows you to check-in with your friends if you're feeling unsafe. You can either tap 'OK' every 30 seconds or 'nervous' every 10 seconds before your loved ones are alerted and shown your location. - https://www.walksafe.io/

Hollie Guard - As seen on BBC's Crimewatch Roadshow, Hollie Guard Extra is a personal safety app that provides real-life alert notifications if you're in danger. A generic alarm profile can be customised with a picture of your choice, and a second shake will produce a flashing light and a high-pitched beep. It also has a "stealth alert", perfect for situations where you don't want any attention to be raised! The Deterrent feature will ensure a flashing light and high-pitched beep on your phone, to make sure passers-by are fully aware of a dangerous situation. - https://hollieguard.com/

Red Panic Button - The Red Panic Button app has a widget that allows you to immediately inform your loved ones where you are so they can find you.
Though. This app is very simple, it's incredibly effective for personal security, medical emergencies, and your loved ones' security also.
This app is a true lifeline that will send an SMS and email containing your GPS coordinates and a Google maps link to your emergency contacts. - https://www.redpanicbutton.com/app-features/

One Scream - One Scream is an incredible app that can actually detect a scream even when it's at the bottom of your bag. Once your scream is detected, a text message and an automated call with your location is then sent to your nominated contact. If you have an Android, the phone line will stay open so your chosen contact can hear, identify, and get help. The app is all about giving users the confidence to feel safe and secure when they're walking to their destination. You can add up to 3 people to be notified when you need help, and you have 20 seconds to cancel the alarm if you need to. – Please note, One Scream can only detect panic screams, it can't detect any other words. - https://www.onescream.com/

BSAFE - With this app, users can activate the SOS button by touch or voice, and your key contacts will get a sound alarm with your location. They'll be able to see and hear everything in real-time, recorded with audio and video, and sent across. The live streaming feature is what makes this app a reliable one when walking home alone at night. You can also invite key contacts to join you on your journey via the app map, and this way, you know you're being watched. Users can get a fake phone call to get out of unpleasant situations, and notify friends when they've checked in. - https://www.getbsafe.com/

UNITY

AUTHOR UNKNOWN

I dreamed I stood in a studio and
watched two sculptors there.
The clay they used was a young child's
mind and they fashioned it with care.

One was a teacher
the tools that were used
were books, music, and art.
The other, a parent,
worked with a guiding hand
and a gentle, loving heart.

Day after day,
the teacher toiled with touch
that was deft and sure.
While the parent labored close nearby
and polished and smoothed it o'er.

And when their task was done,
they were proud of
what they had wrought,
For the things they had molded into a child
could neither be sold nor bought.

And each agree they would have failed
if each had worked alone.
For behind the parents stood the school
and behind the teacher stood the home.
