Headteacher's Note

Weekly Newsletter
Friday 8th July 2022

Dear Parents and Carers,

<u>Year 6 Leavers' Assembly</u>

For the first time in over 2 years we have been able to say a proper goodbye to our Year 6 leavers'. The hall was packed, the talent was overflowing and we were so proud of our wonderful children.

We would like to thank each and everyone of you for coming to school today and sharing this special memory with us. They were a credit to you and to the school.

Next Wednesday we have our Leavers' mass and party and we know that will be just as enjoyable. Due to space in the hall the party is for parents, carers and siblings of Year 6 only. We would also like to invite their seeds and an adult to accompany them. The mass starts at 6.30pm and the party will follow.

<u>Reports</u>

Reports have been sent home with your child today. Just a reminder for parents who live in separate households, please can we ask whichever parent receives the report today, that they share this with the other parent. Thank you.

11th July	**EYFS School Trip**

School Dinners

Just a reminder that if your child is moving up to KS2 in September (starting year 3), school dinners will become chargeable unless you are entitled to Free School Meals. Please visit the following link for more information on eligibility and to apply—https://www.lancashire.gov.uk/children-education-families/schools/free-school-meals/?page=2

Dinners are charged at £2.20 per day and payment should be made **in advance** via Parent Pay. Please also ensure meal choices are booked on Parent Pay no later than the day before. The menu is available now to book on for September.

Please can we also ask that any outstanding balances are cleared before we finish for Summer. Thank you.

CCTV has now been installed at school and is now recording

As an extra security measure we now have installed CCTV around the perimeter of the building. This has now gone live and is recording. Please be aware that images are recorded and held on file. More details will follow once the installation of the monitoring is complete.

New Equipment

The children were delighted to receive a new chariot for the EYFS playground. This was purchased with the funds raised at the last non-uniform day. Hopefully we will be able to replace some of our other vehicles in the near future.

WINNER OF THE HEALTH AND WELLBEING AWARD

We would just like to say a huge well done to Mrs Taylor, who was the winner of the Health and Wellbeing Award at the Active Burnley Awards 2022. We are so very proud of you!

"Justine has volunteered at Padiham Junior parkrun since 2019. In the same year she challenged herself to raise £200 for Derian House Children's Hospital, a charity that supported Tia Taggart, a local 10-year-old girl who sadly died. Justine's 'Ten for Tia' challenge was to run 10k, swim 10 lengths and cycle 10 miles, all within 3 hours. A total of £3085 was raised and it was completed in 2 hours 4 mins and 39 seconds.

For the last 8 years, Justine has also led a running group twice a week. She has enabled the group to complete several 10k's, 3 half marathons and 2 marathons. She has organised several walks, a baby 'ramble' - a more active baby shower, and a 'hen walk' instead of a hen party. Also during the pandemic, her daughter who has special needs really struggled with her day services being shut and therefore was missing her friends. Justine contacted BLC Group and asked if they could make an easy exercise video for Olivia to use at home. This helped keep Olivia active, physically and mentally during the pandemic. Justine has also organised a 'Teddy Toddle' with nursery aged children—where they walk 12 laps of the playground to raise money for 'Mission Possible'. She held another 'Ted Toddle' for Reception aged children, where they walked a mile in the school hall raising funds for the 'Trussel Trust', and then she did a half marathon to boost the funds and encouraged her friends to do it with her".
