Dear Parents

We have a great theme week planned for next week. Please take time to read through what's going on so your child can engage fully with all the activities. I am looking forward to seeing all the pet photographs and being on the judging panel of your great British bake offs. This is such a rare event in our British history we are trying to make it a celebration to remember.

On Wednesday evening our football team will be playing in the Hartley Cup final. We are so incredibly proud of them and wish them all the best for the game which will be played at the Prairie Sports Village at 3.45pm. If anyone would like to come and support the team you are more than welcome.

A Flower for Our Lady

On Thursday 26th May, our whole school will be attending a morning mass in Church for the Ascension and Crowning of Mary. Our GIFT Team would appreciate it if you could bring in a single flower (bought or from your own garden) on Thursday morning that will be collected with the rest of the flowers donated, to make small posies. These will be offered in mass to Our Lady and given to members of our local community. Our pupils of the year from last year will be taking part in the crowning of Mary.
