ST JOHN THE BAPTIST RCP SCHOOL

Weekly Newsletter

Friday 28th January 2022

Our week began with a visit from our local firefighters. They spoke to Year 2,3 and 6 about fire safety around the home and were very impressed with the behaviour and responses from the children.

Last night our football team had another great win in Hartley Cup and they are now through to the quarter finals. We are so proud of the team and extremely grateful to the staff for organising the matches.

We ended another busy week with a wonderful assembly from Year 4. I'm sure you will enjoy watching it on the video area of our website.

Polite request:

The staff of St John's work extremely hard for your children. We ask that you are respectful and courteous when speaking to them, especially our office staff.

Thank you

COVID UPDATE

COVID, the gift that keeps on giving, sent us OMICRON at Christmas. As a result we are constantly reviewing what measures are needed in school to reduce the spread and protect our pupils and staff. Our main priority will always be the safety of our children.

On a daily basis we are monitoring cases, and currently we have all classes open. This is not the case in many schools where the high levels of infection and isolation rules have resulted in a return to home learning. We want to avoid this at all costs and it is for this reason that one of the measures we are keeping in place is limiting visitors to school. This is only temporary and we look forward to the day when we can invite all our families back into school.

All assemblies and Golden Book are available to view on the website.
