ST JOHN THE BAPTIST RCP SCHOOL

Weekly Newsletter
Friday 3rd July 2020

Dear Parents

Time seems to be speeding up and we are only two weeks away from the summer holiday! School has been a hive of activity this week as we have more children and staff in school.

We are busy planning ahead for September and welcomed the news yesterday that schools will be able to open for ***all pupils*** from the Autumn term.

Attendance will be once again become compulsory and monitoring will resume.

SCHOOL REPORTS

Your child's report can be picked up from Friday morning from the main office.

This is a slimmed down report and following government guidance there is no reporting of attendance for the academic year 2019-20.

SCHOOL COMPUTERS / LAPTOPS

If your child borrowed equipment from school, we will be requesting they are returned by the last day of term. If your child is no longer using the equipment, this can be returned to the school office sooner.

God Bless

Mrs McKeating

NOTICE

In the week beginning

Monday 6th July 2020

St Johns School will open its doors for:

Key Worker Childcare AND Y6 WK A

Online learning will be set for all classes Nursery-Y6

Staffing Changes!

Miss Kidd from our Nursery class has been successful in applying for a job as a Reception Class teacher in a school located more local to her home in Liverpool. We wish her all the very best for the future and hope that she will be very happy in her new role. We will miss her greatly, but wish her well on this next stage of her teaching career and we thank her for the contribution she has made to our EYFS department in the 2 years she has been with us.

As a result of this, we will be welcoming back Miss Armstrong to our school, who will join our teaching staff in September. Miss Armstrong will be teaching Year 1 and Mrs Clough will return to the EYFS team, bringing with her many years of EYFS experience.

Please Pray:

Please continue to pray for one of our Reception Parents who is still on a ventilator battling the effects of COVID-19.

Our prayers are being answered as there has been a lot of improvement this week.

Please keep the prayers going as we hope that he can be weaned off the ventilator next week.

REMINDER: Lunches are being provided in school at £2.20 per day. Please pay via your ParentPay account. Nursery, Reception, Year 1 and Year 2 are exempt from payment due to the universal free school meals for this age group.

ParentPay
COUNT ON US

We go CASHLESS in September!

Please remember to activate your ParentPay account so you can book school lunches, pay for fees and items and provide consent for trips and visits.

All non activated accounts should have received a reminder of how to activate your account in recent weeks.

If you need this resending, please email: office@st-john.lancs.sch.uk

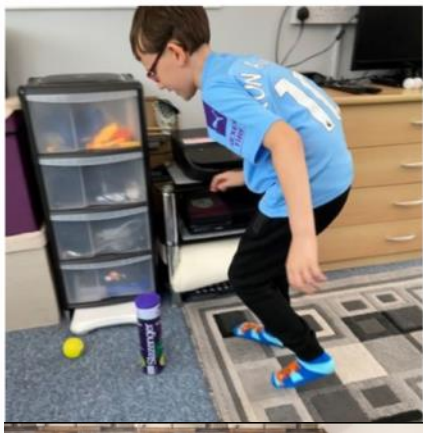

Virtual Sports Festival

This week we have taken part in the **SPAR Lancashire School Games Virtual Sports Day** events and celebration dance. Thank you and well done to everyone who took part. There are a few pictures below - however you can find more pictures and videos of the children taking part in the Sports at St John's section of the website.

Host: Finally, we have got all of the details and we can finally give all of you people the weird but true story. We think that the town of Yazmin is an ordinary town but two nights ago (Tuesday) at 8:35pm there was a stampede of frogs flying through the town on lily pads! Where do you think they have learned to fly? Well Charles, your downtown Yazmin right now, is there any clues about the frogs there?

Charles: Well Sara, There's a big clue in the middle of the street. When the frogs got too tired, they must have stopped flying as there is a dozen of lily pads on Strait Avenue. Also, the neighbours have been complaining that all of their washing has disappeared off their washing lines. Even though the story sound true, the police still thinks that some teenagers have been messing around and have made a prank.

Sara: Well Charles, to me I am going with the police as it does sound a bit phoney. What the police are still trying to find out is how the frogs flied. Will they figure the case out? Also, there was a witness that actually so what happened.

Charles: Sara, I have just managed to spot her and she looks like she is investigating herself. I will go and have a talk to her.

Mrs Smith: I was getting a little bit board so I went to gat a book, when I looked outside the window, A swarm of flying frogs on lily pads shot past and I was about to faint.

Charles: Well Mrs Smith, it must have been a scary sight. It looks like the story is true after all then.

Mrs Smith: Definitely true. I thought I was dreaming but I wasn't. It was right in front of me.
