Headteacher's Note

Weekly Newsletter
Friday 15th May 2020

Dear Parents

Well this has been a very busy week and we are trying hard to keep up with the phased re-opening proposals and the planning and assessments that need to be completed to ensure the safety of the children and staff involved.

We will of course involve and inform you along the way and please do remember that the wellbeing and safety of our children and staff is always at the top of our priorities.

An online survey was sent out to you all on Thursday. Please do take a few minutes to complete it so that we can include your views and concerns in our planning and decision making.

May is the Month of Mary

Please remember in your prayers:

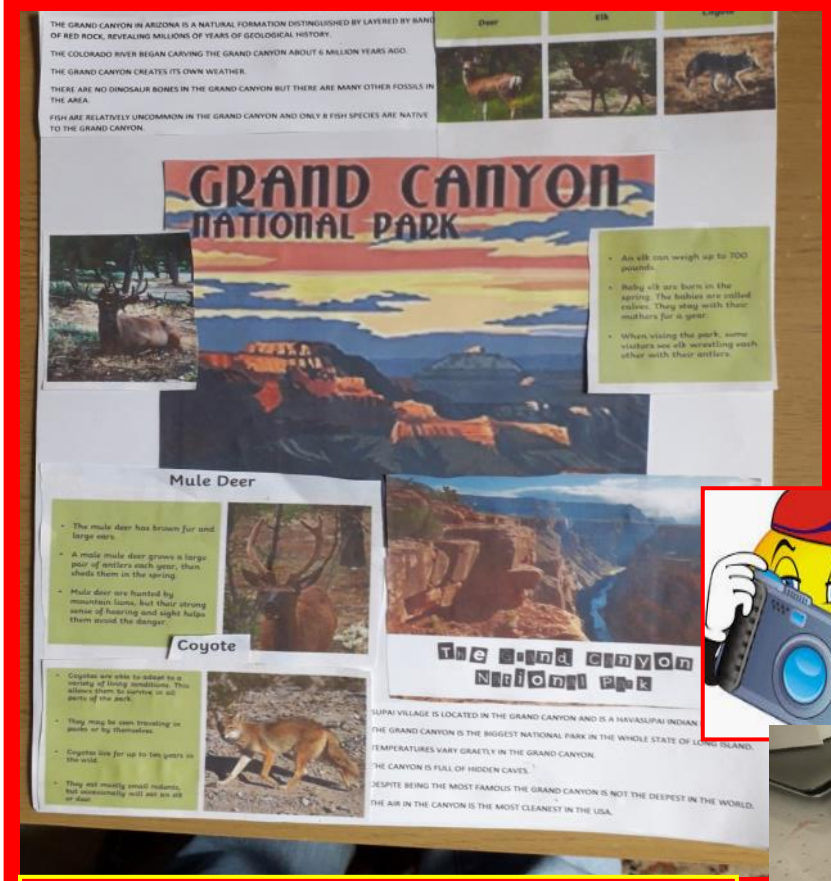

One of our pupil's Daddy, who is very poorly in intensive care, an uncle of a school family, poorly but stable in hospital. Both these men are NHS workers. Please also send your prayers to the Wigley family who said goodbye to their beloved dog Suzi this week after 18 years together. We also pray for all our families who are concerned for loved ones or struggling at this time.

Please do let us know if you would like anyone adding to our prayer list.

Social Media and Gaming

We know how vital online tools and devices have been to us all in the last few weeks to keep in touch with friends and family.

Could we remind children that everyone is coping with not being at school in different ways, <u>but</u> we still want our "Love One Another" mission statement to apply to everyone's conduct and interactions. We would not expect anyone to exclude or block someone on purpose from a social group or online activity.

Please Be Kind!

Laptops Loans

We have now ended our laptop loan scheme and will not be lending any more laptops out. We have loaned over 50 devices to families to help with home learning but as numbers of key worker children increase in school we need more equipment for the children still receiving childcare. Thanks to Miss Townson, Mr Butterworth and
