Chaplaincy Gift Team

Members of the gift team attended a special meeting on Wednesday 29th January.

They presented their achievements over the past year to our Governors and school teachers. This provided us with a fantastic opportunity for our Governors and staff to reflect on the wonderful work that our Gift Team achieve over the academic year and how many charities that we are able to support.

Well done to our Gift Team and thank you for all you do and give to our school.

May I please remind you that trainers must not be worn for school. Trainers may only be used for sporting activities. School shoes must be worn around school and if children have not got shoes they will be asked to wear pumps instead. Please support us in regards to maintaining your child's footwear and ensuring that the school uniform policy is adhered to fully.

Padiham Greenway Junior Parkrun

Padiham Greenway junior parkrun is a free 2 Kilometers event that is held every Sunday at 9.00am, the only thing that you need is a barcode. The event takes place on the Greenway, behind the leisure centre. This would be a great way to help complete the RED February. For more information you can google www.parkrun.org.uk/padihamgreenway-juniors.

Please ensure that children have hats, gloves, tights and warm coats as playtimes are very cold at the moment.

New Governors

I am pleased to announce that we have welcomed two new members on to our Governing board, Mrs Irene Bracken as a Parent Governor and Mrs Lisa Sowden as a Parent Governor. Also Mr Phil Naylor has now changed from being a Parent Governor to our Local Authority Governor. We hope our new Governors settle quickly and look forward to working with them through their terms of office. We thank them and all our Governors for supporting and serving our school community through Governance.
