The Gift Team need your help

Every Tuesday evening , a group of volunteers called "The Tuesday Food Group" help us to feed the homeless people in Burney and the surrounding areas. The group are dedicated in their actions, especially the bleak winter months when being homeless is especially hard and cruel.

At this time of year when you might be spending Christmas in your own home, with family and friends, please think about those who have no home and no one to call their friend. As you close your front door in the chilly winter air, please think of those who may be shivering in the cold at Christmas.

Please when you are doing your shopping this week, would you be kind enough to put and extra item in your basket? I'm really not asking you for a lot. A simple packet of pasta, a tin of custard or rice pudding, or anything that is non-perishable. If you could send these items into school by 19th December , I would be most grateful. You couldn't even begin to imagine how much this kind gesture would help the group with the work that they do in helping to feed the homeless

Thank you and God bless you for your kindness. May your Christmas be all the happier because of the happiness you have brought to others.
