Team St John's

Congratulations team St John, "Most Improved School in the Burnley cluster!"

PE and Sport at St John's is something we are extremely proud of, especially with the increase of competitive sport we have entered into. At the September 2019 'Burnley PE and School Sport meeting', St John the Baptist RC Primary received a special award for being the Most Improved School. This is because of the success of our wide range of sporting activities and high ranking competitions compared to previous years.

We have also achieved, for the fifth year running, the Gold School Games mark, and can now apply for the Platinum award.
