Dear parents

Notification of positive cases of COVID-19

Please remember, you still need to tell school if your child develops Covid-19 after the end of term in order to allow us to track and inform close contacts that they need to self-isolate.

If your son/daughter either:

- **shows symptoms within 48 hours of the end of school (before Sunday evening 20th December) and then receives a positive test result , or**
- **is asymptomatic and is tested before Sunday evening, and then receives a positive test result**

you should email Mrs McKeating immediately via head@st-john.lancs.sch.uk.

There is some important information that is needed to deal with the positive case promptly and effectively. Please include the following information in your email:

- Name and year group
- Do they have symptoms?
- The date and time when the symptoms began
- Date of test
- Reference number for positive test result
- How did they travel to and from school on Thursday17th or Friday 18th December 2020.

It is vital that you tell us about positive tests so we can help prevent the spread of coronavirus in our community.

Wishing you all good health and happiness for the Christmas period.

Kind regards

Kathleen McKeating
